

The Society of Quality Assurance (SQA) is a nonprofit, international quality assurance professional membership society based in United States. Current membership of the Society exceeds 2,700 Active and Affiliate members in over 30 countries working in industry, government, academia and consulting.

SQA represents professionals in pharmaceutical, agricultural, biomedical, industrial, chemical and contract testing and research organizations, as well as academia, regulatory agencies, and independent consultants.

SQA provides leadership to these professionals through its regional chapters and specialty sections and extensive development programs of meetings, lectures and information exchanges

SQA fosters interaction, communication and high professional standards and supports extensive interaction with regulatory agencies.

SQA recognizes and supports high professional standards, knowledge and experience through registration examinations, currently offered in the:

- *Good Laboratory Practice (GLP)
 - *Good Clinical Practice (GCP) disciplines.
- That of**
- *Good Manufacturing Practice (GMP) will soon commence.

SQA Membership:

- Essentially open to all disciplines.
- Knowledge/interest and training in the basic sciences are added advantages.

Categories of Membership:

- Regular Membership.
- Affiliate Membership.
- Outreach Membership.

SQA Scope:

- >GLPs (Good Laboratory Practice)
- >GCPs (Good Clinical Practice)
- >GMPs (Good Manufacturing Practice)

QA Journal

CQAdvisor

Quality Assurance Journal

Online QA Journal Access

All SQA members have online access to the *QA Journal*.

If you would like to view the Journal without using a separate login, please use the **QA Journal Generic Link for All Members**.

Please note that because this is a generic link, **you will not be able to use any personalization features** such as alerts, online document purchase via Pay-Per-View, or saving titles, articles or searches.)

If you need to use the journal personalization features, please link to the **Wiley InterScience** website and log in with the username and password sent to you by the publisher, Wiley.

Think quality... Join SQA today!

Hard Copy QA Journal

The QA Journal will not be published in 2008, but will be published again in 2009, following the completion of reorganization efforts that are under way.

Contributing Papers to QAJ

Interested in contributing to the QA Journal?

Publishing is easier than ever!
See the **Notes for Contributors** and information about the **QAJ Best Article Award** presented each year at the SQA Annual Meeting. See also the **Author page** on the publisher's website.
